

The Body of Christ

*The body of Christ is living, it's in the world today
The body of Christ is working, while it is still day
The body of Christ is growing, prepared to have it's say
And I am a part of the body of Christ*

As a finger I will point the way to you
As a shoulder there to cry on
As a hand to hold and to support you through
Jesus is the head we can rely on

*The body of Christ is living, it's in the world today
The body of Christ is working, while it is still day
The body of Christ is growing, prepared to have it's say
And I am a part of the body of Christ*

As an eye, yes I will see your every care
As a foot I'll walk beside you
As a heart I'll feel your joy and your despair
Jesus is the head who'll always guide you

*The body of Christ is living, it's in the world today
The body of Christ is working, while it is still day
The body of Christ is growing, prepared to have it's say
And I am a part of the body of Christ*

As a mouth, yes I will join with you in praise
As an ear I'll hear your story
As a knee I'll bend and pray for you always
Jesus is the head who's crowned with glory

*The body of Christ is living, it's in the world today
The body of Christ is working, while it is still day
The body of Christ is growing, prepared to have it's say
And I am a part
And you are a part
And we are a part of the body of Christ*
