

YOUR LOVE

My life seemed surrounded by the shadows
I never felt sunlight on my face
Then you called me out from darkest night
I followed You and I found the Light - I found You

Lord, You showed a taste of heaven's glory
And my heart was warmed beyond all hope.
For You led me out from death and sin
Discovered the soul I had within me, Lord

*Your Love reaches higher than the mountains
Your Love reaches deeper than the sea.
And I am amazed to know the truth, Lord
For it is Your Love that reaches me*

I don't want Your Love to go unnoticed
So I need to share what's on my heart
I want those I love to know the truth
That I would be nothing without You, my Lord.

*Your Love reaches higher than the mountains
Your Love reaches deeper than the sea.
And I am amazed to know the truth, Lord
For it is Your Love that reaches me
(Repeat)*

For it is Your Love that sets me free
